ROOTS PRAYER LETTER

FEBRUARY

GIVE THANKS

Please give thanks for:

- Financial support – The Roots leadership are especially thankful for continuing financial support from a number of local churches, individuals and Presbytery's.
- The unity amongst the leaders. Give thanks for the shared vision and good spirit within the team of leaders. Ask God to bless and protect us especially as some of the core team will be leaving us this year – pray for wisdom when seeking the Lord's replacements.
- One of the community lads who has broken away from his friends and asked to join the "Rambo Squad" who prepare the church for Roots and tidy up afterwards. Pray he will be blessed in this service and the leaders will have opportunities to share the gospel with him.

BEFORE ROOTS

Preparing for *Roots*. Please pray for:

- **Re-Arranged Roots Shoots** – At least 14 football teams from churches throughout the Highlands will meet in Dingwall on Saturday **13th March** to take part in our second outreach event. Many of the young people involved do not go to church.
  - Pray for safety in travelling and enthusiasm in playing
  - Pray for Angus MacRae as he prepares what they will say, and for all the young people – that they will have 'ears to hear'!
- **Strictly Come Praying 20th March** – We're telling the young people this Friday about the event. Besides praying together, the day itself will include seminars and talks, which will use the example of Daniel to learn about the centrality of prayer in the Christian life.

NEXT ROOTS

The next *Roots* is on 26th February. Please pray for:

- **Calum MacMillan**, he is speaking on Jesus meeting The Samaritan Woman, as we continue our teaching theme of *'Who Would Jesus Meet?'*
- **Hazel McCormick** will be giving her personal testimony.
- **The Praise Band** as they lead us in the worship of our Sovereign Lord
- **God's Grace – without which we can do nothing.**
