

Kingdom United

WORSHIP EVANGELISM on the STREETS!!!

We want to reach the lost ... right where they are ... through worship and street evangelism.

The street/worship evangelism will take place in and around Java Restaurant on Church Street, Inverness, every Friday and Saturday, beginning September 5, 2008 and continuing until December 2008. That's 3 months of continual street ministry each and every weekend in Inverness!

Through these events and the conversations that will ensue, our desire is to give people a place to learn about the love of God and a relationship with His Son, Jesus Christ.

KINGDOM UNITED GOSPEL EVENTS!!

Events that focus on presenting the Gospel message in power and in truth will take place every Sunday, beginning September 14, 2008 at the Spectrum Centre Theatre.

We hope that these events will be used by EVERYONE who has a desire to see their family, friends and neighbours come to know the Lord. These events will be professional, comfortable and in a neutral location. People can expect to hear the Gospel message, experience contemporary worship and receive prayer and ministry.

EDIFYING THE BODY OF CHRIST!

Other special services, focused on encouraging and edifying the church will take place as guest speakers and worship leaders are scheduled to visit. Events will be posted on our website and you can register to receive instant email updates.

VISION:

Our vision is to reach people with the good news of Jesus Christ in Spirit and in truth with worship at the heart of all that we do. We believe that, as a body of believers from this nation and beyond, there is Holy Spirit power and strength in unity. We share a passion and a desire to see Jesus Christ impact people in amazing ways for salvation, healing and ministry.

ABOUT US:

Kingdom United is comprised of a group of people from different nations and local churches who have come together in the Scottish Highland Capital of Inverness. We have a purpose and a mission to be used by God to see His Kingdom come and His will be done here on earth as it is in heaven. This ministry is not operated by any particular church, person or organisation. We simply seek after our Father and respond in obedience.

As you are able to see from our vision statement, we hold fast to a sincere desire to see God impact the lives of people both here in Scotland and around the world. It is out of this compassion for those who don't yet know Jesus Christ personally that we have coordinated our efforts towards seeing the gospel shared through a number of evangelism evenings and events beginning September 5, 2008.

We hope that you and your fellowship will participate. We invite you to attend events, volunteer, pray, give or support in some way this endeavour to share the gospel, in love, to a world that is dying to know Him. Events will take place every weekend and occasionally throughout the week to accommodate the schedules of special guest speakers and/or worship leaders.

Fridays and Saturdays will see us taking His praises to the streets of Inverness. Our International Worship Band will take the stage at Java Restaurant on Church Street starting at 9pm whilst street evangelism and relationship building will occur both inside and outside the venue.

Sundays will take place in a larger venue – often, but not always, the Spectrum Centre Theatre. These evenings will focus on the gospel message being shared through gifted, powerful and anointed speakers and contemporary worship music. We believe that these evenings will be about unifying the body and reaching the lost. All will be soaked in prayer as we expect to see God move!

We would like to provide you with fliers to assist you in promoting these events. We'd also welcome an opportunity to communicate with you on a more personal level about what God is doing. Please feel free to connect with us through our website www.kingdom-united.org which is also an ideal way to become familiar with all that's happening through Kingdom United. We look forward to serving the King together with you!
